The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Henry Street Settlement Multigenerational Community Center in fiscal year 2024. The entity to receive funding for this project is Henry Street Settlement, located at 281 East Broadway, New York, NY 10002. The funding would be used for a community center.

The project is an appropriate use of taxpayer funds because this fills a specific need in the district of helping multiple communities within an underserved community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(1). The statute further states that this is to be achieved in the CDBG program by ensuring that each funded activity meets one of three named national objectives.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
